OTI distributes and supports its solutions through a global network of regional offices and alliances. For more information, visit www.otiglobal.com.

Safe Harbor / Forward-Looking Statements

This press release contains express or implied forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other Federal securities laws. Whenever we use words such as "will," "look forward," "expect," "anticipate," "intend," "plan," "estimate," "believe," "should," "can" or similar expressions, we are making forward-looking statements. Because such statements deal with future events and are based on OTI's current expectations, they are subject to various risks and uncertainties and actual results, performance or achievements of OTI could differ materially from those described in or implied by the statements in this press release. Factors that could cause actual results to differ materially from those anticipated by our forward-looking statements are stated under the captions "*Risk Factors*" in our most recent Annual Report (Form 10-K) and other known and unknown uncertainties and risk factors including those detailed from time to time in the Company's filings with the Securities and Exchange Commission. Forward-looking statements are made as of the date of this release, and we expressly disclaim any obligation or undertaking to update forward-looking statements. The reader is cautioned not to place undue reliance on forward-looking statements.
